

March 11<sup>th</sup>, 2025

Dear Doctor,

My name is Dr. Olivia Royea and I am a practicing dentist in California's Central Valley. In 2023, we opened Dental Care 4 Kids, a brand new 12-operator pediatric dental office in Modesto, CA. Our office is currently looking for a dentist to join our team! The office is fully equipped with the newest ADEC chairs and equipment, a state-of-the-art sterilization room, and an HVAC system with HEPA filters. Growing up in Southern California, I wanted to bring its beautiful beach culture with me to this office. Throughout the waiting room and the back office, you will see vintage surfboards, surf artwork and fun furniture/decor. We have over 100 5-star reviews and our patient base continues to grow every month. We have a wonderful, dedicated and skilled team that are a joy to work with every day.

We are hoping to find someone with a fun, positive attitude that loves working with children and all the silliness that comes with it. Our most important goal is to provide the highest quality of dentistry all while making them feel safe and comfortable. For the first 3 months, compensation is guaranteed \$1,000/day or 25% of production (whichever is greater) and then after that it's 25% of production.

If this sounds like an interesting opportunity for you or someone you know, please reach out to our Director of Operations, Aileen Crone (209) 669-8120 ext 101 or e-mail [Aileen@valley-dental.com](mailto:Aileen@valley-dental.com)

We would love to meet you and give you a tour of our office! Please visit our website to check out more about who we are! [mydentalcare4kids.com](http://mydentalcare4kids.com)

Sincerely,

Olivia Royea, DDS
